**My Team Jewelry Fundraising Information - On Line Shopping Option**  
**Here's how your group can earn up to 30% of sales year round!**

**No up front fees! No contracts! No inventory! No Minimums!**

1. My Team Jewelry creates over two dozen hand made products featuring your club's logo, graphic, or photos of choice using high quality, affordable materials such as stainless steel.
2. Your custom shop page is accessible through the My Team Jewelry website. It can remain active for as long as you want to reap the benefits. There is **no set up or monthly fees** but a \$35 set up charge will be deducted from your first fundraising check to cover the time necessary to create your page and listings.

Allow up to 3 weeks for your page to be ready depending on current demand.

3. MTJ will send your group a shop link to share on your club's site and any other communications. For easy access to your page, you will also receive a custom QR code. All you do is promote, promote, promote!
4. Your customers can order 24/7 year round with your club earning 30% of every sale. MTJ handles payment and delivery of all orders. There is no maintenance or inventory for you to worry about.

MTJ does offer the option of sending all orders to your desired location.  
Please reach out if interested in this option.

5. Each quarter (end of March, June, Sept, and December), you will receive a complete sales summary for your records along with your fundraising check for any sales made during that time. If your club wishes to hold a temporary fundraiser, MTJ will close out with you at the conclusion of your event.

Thanks again for your interest! Please let me know if you have any other questions!
